A FEW WORDS...

"The greatest discovery of our generation is that human beings can alter their lives by altering their attitudes of mind. as you think, so shall you be." - William James.

Welcome!!

It's with great delight that I welcome you to the Sisters In Service 15th Annual "Heart of Gold", Mini Leadership and Empowerment Conference. Thank you for taking the time and for your participation. This event will allow us to bond and talk and learn from each other.

Sisters In Service, was created to lend assistance as the cost of higher education continues to rise and the availability of funds seems to be diminishing. The founders recognized an opportunity to help and share our collective proficiencies in order to generate capital and control who and how it would be used. In the end we endeavour to provide resources to young people who are reaching towards their higher educational goals.

Since inception with the support of our generous sponsors, we have been able to assist 93 youth with financial assistance toward higher education. We not only provide tuition assistance but support several community and national based organizations with funding toward their educational foundations and efforts. We have used our personal talents and background to assist local schools, create opportunities to fortify their fiscal programming with several successful events. We have also provided desperately needed tools and supplies to students, such as computer equipment, printers and book stipends, when funds were available. The members of Sisters In Service, are dedicated to the mission of "Service" and to the community and strived to make it better. As we celebrate this our 15th Heart of Gold, you have been invited to share your experiences and expertise to help us continue our mission and maintain our momentum.

"We Serve, We Advance, We Grow", is our motto. I believe in leading by example. I'm passionate about the work that SIS does and the lives we touch. Today, I ask that those of you here as our guests, open your hearts and minds and listen to the words of our Award Winning Community Leaders. They are here to share their personal experiences, to help you mirror them and offer information to help you be successful. My objective for this "mini conference", is not only to reunite with our former SIS Award winners, but to incorporate our energy, our drive, imagination, creativity and resilience to adopt and continue our community service projects. Also, to motivate you to mobilize and offer service in your communities, if you haven't yet. Or give you the tools needed to do so properly. This is a movement. We are all part of this thing called "life" and to make it better you have to do something. It doesn't have to be big or publicized, but something that can make someone else's journey lighter. Let's get to work!!

I believe in uplifting, empowering and encouraging our youth, which will give you the assurance that you can and will make a difference. The theme of this conference is: **"An Overview of Leadership, Ownership and Empowerment, To Stimulate Your Passion for Service"**. I was taught if you know better...do better. We see and know what isn't working...what can you do to correct it... you first have to understand the issue. Then make a decision to take it on. Gather the needed

information. Uncover your passion. Express your vision and surround yourself with like minded people. Now the work begins. Be confident! Be sure! Never make promises that you know you will not keep.

Say what you mean and mean what you say!! You should always be thirsty to learn, open to positive correction and/or criticism. Learn to build solid relationships.

Prepare yourself to be challenged, get excited and inspired.
Thank You again for taking the time!!

Sisterly,

Jerilyn Hitch Fuller

Sisters In Service

The Story...

The organization now known as Sisters In Service, was developed from a desire to do more. Jerilyn Hitch- Fuller, recent graduate and transfer from Gamma Omicron Undergraduate Chapter Denver, now member of Beta Rho Sigma Denver Alumnae Chapter, had a brilliant idea that she just couldn't get off the ground. After a while of working on her own with no true result or actual direction, she thought she would mention her concerns in the hope for some direction. In a chapter meeting, she expressed her frustration with the many barriers she incurred in trying to establishing an independent foundation. Her Sorors rallied together and after several conversations, focus groups and planning meetings, steps were taken to formulate Sisters In Service. After several years of research, review and state and federal tax submission requests. Sisters In Service was granted their 501(c)3 non-profit determination, June of 2000 and became an autonomous body, with the support of Beta Rho Sigma Denver Alumnae of Sigma Gamma Rho Sorority, Incorporated affiliation.

The founding members of Sisters In Service are;

Ms. Jennifer A. Carter, Ms. Datina Goodwin, the Late Mrs. Ernestyne Thatch Henry, Mrs. Jerilyn Hitch- Fuller, Ms. Glennetta R. Jackson, Ms. Shawnetta K. Madden, Mrs. Gloria Scroggins.

Sisters In Service

History

Sigma Gamma Rho Sorority, Inc. is an international non-profit service organization established in 1922. Our Denver chapter, Beta Rho Sigma, was established in 1960 and we have been tireless in our efforts to encourage and motivate young people to achieve academic excellence. Furthermore, Sisters In Service was established in 2000 by members of Beta Rho Sigma Chapter, as a local nonprofit service organization.

Our organization, Sisters In Service, was initially conceived to offer local scholarships. Moreover, we serve our local community and have been diligent in our efforts to uplift local youth and encourage their pursue of higher education by providing financial assistance. Additionally, we represent women bound together in thought and deed toward the common purpose of self-improvement and rendering assistance wherever needed. We believe in service to one another; our youth, our families and our community. We believe that these attributes are possible through Service. Our motto is,

"We Serve, We Advance, We Grow."

Purpose

With the cost of higher education rising, and the availability of funds diminishing, the members of Sisters In Service ("SIS") have recognized an opportunity to lend assistance. It is our endeavor to provide resources to young people who are reaching towards higher educational goals. Our organization was conceived to provide current Colorado residents ages 17 to 23, with financial assistance towards higher education. These expenses must be related to a college, trade school, or university located within the state of Colorado.

The members of "SIS" are bound together in effort, thought and deed towards a common goal. We believe in leading by example in our community service projects, uplifting young people by rendering service wherever needed, in addition to assisting them to attain higher educational goals.

Mission Statement

To better our community and support our youth, we believe in commitment and service. These values are ingrained in each of us through our individual and collective life experience. As adults and parents, we model our behaviors and actives to reflect these values for our youth in an attempt to pass on this attitude and spirit of service to the next generation. To this extent our volunteerism significantly improves the quality of life for future generations and ourselves. Our members serve as positive examples for our youth. It is our belief that financial assistance, in addition to positive reinforcement, continued mentoring and networking opportunities, would provide greater incentive for SIS scholarship Awardees to accomplish their educational goals. Sigma Gamma Rho Sorority, Inc.

*S*igma Gamma Rho Sorority, Inc. was organized on November 12, 1922 in Indianapolis, Indiana by seven school teachers: Mary Lou Allison Little, Dorothy Hanley Whiteside, Vivian White Marbury, Nannie Mae Gahn Johnson, Hattie Mae Dulin Redford, Bessie M. Downey Martin and Cubena McClure. The group became an incorporated national collegiate sorority on December 30, 1929, when a charter was granted to Alpha chapter at Butler University.

Soaring To Greater Heights Of Attainment Around The World, Sigma Gamma Rho Sorority, Inc., as a leading national service organization, has met the challenges of the day and continues to grow through Sisterhood, Scholarship and Service .

Sisterhood

From seven young teachers, Sigma Gamma Rho has become an international service organization comprised of women from every profession. Sigma Gamma Rho offers its members opportunities to develop their unique talents through leadership training and involvement in sorority activities. Sorority activities provide an atmosphere where friendships and professional contacts are developed which often lead to bonds that

Scholarship

In a time when education for African Americans was difficult to attain, the founders of Sigma Gamma Rho became educators. They believed that the self-respect, knowledge and discipline gained through study would help individuals to recognize their duty and responsibility for their society. Thus, Sigma Gamma Rho was founded on the precept of education and continues to promote and encourage high scholastic attainment.

Service

Sigma Gamma Rho's commitment to service is expressed in its slogan, "Greater Service, Greater Progress." The sorority has a proud history of offering service wherever chapters exist, including OPERATION BigBookBag, a program designed to address the needs, challenges and issues that face school-aged children who are educationally at-risk in local homeless shelters and extended care hospitals.

Other national projects include Wee Savers, Project Reassurance and Habitat for Humanity, Sigma Gamma Rho built seven homes across the United States in Florida, District of Columbia, Wisconsin, California, and Texas.

The service of Sigma Gamma Rho from a global perspective includes Project Africa and Project Mwanamugimu. Through active participation in programs and through networking with other organizations such as the National Council of Negro Women, Urban League and the NAACP, Sigma's legacy of service to improve the quality of life for all mankind continues. Mr. Derrick Fuller

Community Contributor

Derrick Fuller was born in Philadelphia, Pennsylvania. Derrick is the baby of twelve children nine boys and two girls. Derrick move to Denver when he was approximately 15 years old. The spring of 1987 he graduated from South High. He was approached by several different colleges but decided on Metropolitan State College, where he was given a full ride. He broke several other records in the conference. Derrick career ended at Metropolitan State College due to a severe and painful injury. Derrick was fortunate and his game proceeded him.

He was offered another full ride to the University of Denver. Derrick had to prove on paper and to himself that he was worthy of this blessing. Up to this point he proved himself on the court where it seem to count. He was put to the test. DU requested details and results in all that he did.

The first year paid off and he was publish in the DU Freshman Journal. Derrick secured a job as a Teller at the Norwest Motor Bank, which was the start of his 18 year career in Banking. Derrick graduate from Denver University, June of 1992 with a degree in Communications. He was promoted up the ladder in banking and after 18 years he is Senior Vice President and District Manager for Wells Fargo Bank's, Aurora District. He manages ten banking locations with an asset size of a over \$750 Million in deposits. He is a graduate of the Graduate School of Banking at Colorado University.

Derrick is passionate about financial literacy and youth. He is the co-author of the Sisters In Service Financial Literacy Program curriculum. He is a motivational speaker. Derrick uses common sense applications to convey most of the crucial information. He feels that by constructing a firm foundation and showing both positive and negative aspects of finance, we are able to educate our youth to be well informed, clever, wealthy and productive members of our community.

Derrick current serves on the Colorado Career Service Board and Urban League. He has work with several other community boards in his career, such as Smiley School Association, YMCA, and Open Door Youth Ministry for youth at risk.

Derrick has been married to Jerilyn Hitch-Fuller and will celebrate nineteen years together. They are the proud parents of Izhayia Fortune Fuller, Miss Aaliyha Jae Fuller and our Boxer, Fortune D3og.

Ms. Myra Donovan

Community Contributor

Myra Donovan is a Certified Financial Planner (CFP) who started her practice in 1990 with Eagle Strategies LLC, a New York Life affiliate. Her mission is to help provide answers to the question—"How can I help you feel better about your finances?" Myra specializes in helping baby boomer and senior women make informed financial decisions in order to "create wealth and leave a legacy". As an accomplished speaker, she has participated in numerous seminars, workshops, conferences and retreats.

Myra is a native of Houston, Texas and came to Denver to attend the University of Denver. She graduated with a BSBA in Accounting and started her career as a Certified Public Accountant (CPA) with Coopers & Lybrand (now called Price Waterhouse Coopers), a public accounting firm. From there, Myra used her extensive training in finance, auditing and tax to experience various financial positions in the oil and gas and cable television industries.

Myra is a member of the Denver Foundation Professional Advisor's Council, the Women's Estate Planning Council, the American Institute of CPAs, the Financial Planning Association, and the National Association of Insurance and Financial Advisors. In her spare time, you will find her enjoying Zumba and Tai Chi.

Mr. John L. Trahan

Community Contributor

John L. Trahan, President and CEO of Power Organization Inc. a service industry company with individual companies that specializes in Residential & Commercial cleaning service, Construction & Landscape services, and Dental Heath services is a graduate of Thomas Jefferson H.S. in Denver Colorado. He received his Bachelor of Science Degree in Mass Communications from the University of Southern Colorado in 1985 with minor in Business. While at the University of Southern Colorado he earned a full scholarship to fund his education by walking on to the football team as a freshman.

John is the only three time All Conference player in the schools history and was named two years to the All American team as a Wide Receiver. In addition to getting his degree, he set the standards by which all Wide Receivers are still compared to today at the university.

John's businesses have employed several individuals from the community over the past 18 years, and in 2000 he began giving his time to the youth of Montbello/Green Valley by coaching the Montbello Cheetahs Track Club. The Cheetahs program started with thirteen young people; has now grown to over two hundred young people every summer.

The Trahan Youth Foundation was founded in 2007 for the purpose of raising funds to support the hundreds of young people who want to participate in the track and field programs. Uniforms, shoes, school materials, travel expense for those children who families do not have the means. High school boys and girls who can't afford a prom dress, or needs a hair cut and even study guides or fees to take college entrance exams. The mission of the foundation is to prepare our youth both academically and athletically to move forward to college and earn a degree.

In the spring of 2008, John was asked to consider the Head Track & Field Coaches position at Montbello high school in large part due to his work in the summer with the Cheetahs Track Club. He felt that it would be a natural progression to help the young people he had already developed relationships with continue into high school and work towards earning academic and or athletic scholarships to college. He accepted the Head Coach position at Montbello and with great support of the Cheetahs coaching staff; the Montbello Warriors won the High School 5A State Championship in his first year.

Coach Trahan was named 2008/2009 Denver Public Schools Track & Field Coach of the year. He also received the 2008 Colorado State High School Coach of the Year Award. Currently Coach Trahan is working with Montbello high school to create an academic program that will insure that all student athletes are academically eligible to receive Division 1 scholarships for every 9th grade student athlete who attends Montbello in the Fall of 2010.

John is the proud father of Salina and Jarrell and husband of Susan Trahan, and lives in Centennial, Colorado.

MISSION: EMPOWER STUDENTS FROM UNDERSERVED COMMUNITIES TO GRADUATE FROM COLLEGE.

College Track recruits students from underserved communities and works continuously with them from the summer before 9th grade through college graduation. Our 10-year program removes the barriers that prevent students from earning their college degree by providing them with comprehensive academic support, leadership training, financial and college advising, and scholarships. We teach our students the skills necessary to succeed in college and beyond.

[Learn More About Our Approach](#)

A HIGH SCHOOL DIPLOMA IS NOT ENOUGH.

What matters most, for young adults to build a successful future, is a college degree. College graduates are 2x more likely to be employed and they earn 1.6x more than high school graduates. They are more likely to be productive, participating members of society, being 2x more likely to vote and 4.7x more likely to volunteer. And yet, today, 80.5% of low-income students DO NOT graduate from college.

[Learn More About Why It Matters](#)

OVER THE PAST 16 YEARS, COLLEGE TRACK STUDENTS HAVE EXCELLED.

More than 90% of our students are admitted to four-year colleges and our students graduate from college at a rate that is 2.5 times higher than the national average for low-income students. In the 2013-2014 academic year, more than 1,600 students participated in College Track programs across six sites in East Palo Alto, Oakland, San Francisco, Los Angeles, New Orleans, and Colorado.

Thank You...

Beloved ,

The members of Sisters In Service are blessed to be in this moment, again this year. God has allowed us the opportunity to meet our goals, for the 15th year..in a row. We tried something different and unfortunately, it didn't seem to catch on, as I thought BUT regardless we have been successful in attracting new and excited sponsors who are willing to assist us and our mission of "service". In addition to the assistance of those faithful few that work with us each year. Working in a non-profit has it's ups and downs...mostly downs BUT you have to keep it moving and positive, BECAUSE you must remember your purpose and your mission.... the end result is you will be able to help someone with what ever God sees fit to allow you to have.!

Today, we focused on leadership, vision, ownership and passion. Each of these elements are needed to push forward for your dreams and personal goals. If you are willing and able to be of service to others, you will be blessed. As I have said before "Service", is simple, precise and clear as crystal. You cannot sit back and watch others work and expect to share in the glory. Although many do, or criticize the method or offer little to no help. Remember if YOU, see that something needs to be fixed....fix it. Don't wait for others to do it as it may never be done. If you don't know how...research and find out how. Surround yourself with those that do and push for your expected result. You may not get it right, immediately, but don't give up.... You will and once it's done you will not only learn from the experience, you will be better for it. Not to mention the lessons learned during...all of the trials and tribulations, count them as joy!!.

To our giving community leaders, Thank you for taking time out of your day to share with us. Thank you for encouraging our youth and for offering strong example of what the future can look like...if you out in the work. May God richly bless you all!! Thank all of our sponsors the faithful and the new. Thank you from the bottom of my heart! You are giving and understanding, your support is critical to our work and we are grateful for all you do and will continue to do for Sisters In Service. You make it possible for us to continue our mission. I look forward to working with you again next year!!

To our SIS Scholarship Award Winners; Please take a moment to look through this booklet. Please understand that the individuals responsible for this event and that had supported our efforts have invested in your future. You are worth the effort!! Please make the choice to do the right thing, make yourself proud and make us proud. Run toward your dreams. Help at least one, because you WANT to and you WILL make a difference in their lives. One Scholar made mention to a turtle being on a fence post in her essay....how did he get there? He had help... We all need it and it's OK to ask for it. But in your life get to a place, where you are able to help and it's easy and seamless, no sweat...it's just the right thing to do!!

To the current SIS, EB and general members... I thank you all for your time and the use of your resources and those in your network. I'm thrilled and satisfied that another 6 youth, can seek their educational goals, due to your commitment to this mission. I'm thankful for those generous friends, family, Sorors, co-workers, i.e., that get the emails, and find me asking for help...again this year. And they help..they donated!! They give us their money, come to our events and give of their time to help us... meet our 2015 goals. We are blessed and I look forward to our future success in service, scholarship.

To my family, Thank you for your strength, vision and patience. You know my true "heart song" and you know my heart! Thank for working with me and encouraging me to follow it. Thank you for your prayers, protection and love, even at my lowest point. I Love You!!

Thank you All and May God Bless you with the desires of your heart!!

Sincerely,

Jerilyn Hitch-Fuller
